2014 FIBA BASKETBALL WORLD CUP

The 2014 FIBA Basketball World Cup takes place from 30 August to 14 September, bringing together the 24 best national teams from around the world.

The Group Phase will be played in Bilbao, Gran Canaria, Granada and Sevilla (30 August-4 September), with the Final Phase then taking place at Barcelona's Palau Sant Jordi and Madrid's Palacio de los Deportes (6-14 September).

The qualification process for FIBA's flagship event began more than two years before the start of the tournament.

ROAD TO SPAIN 2014

This started at the 2012 London Olympics, where 2010 world champions USA won the gold medal to clinch the one qualifying place on offer for Spain 2014.

A year later, during the summer of 2013, continental championships took place across FIBA's five zones - Africa, Americas, Asia, Europe and Oceania - and saw a total of 18 national teams qualify to play in world basketball's extravaganza.

At the FIBA Asia Championship in Manila, Philippines (1-11 August 2013), Iran captured their third continental crown since 2007 to earn their place in Spain. By finishing runners-up, hosts Philippines also qualified, while Korea sealed their progress by winning the Third-Place Game against Chinese Taipei.

Australia beat New Zealand in the FIBA Oceania Championship (14-18 August 2013), after which both teams booked their spots for the FIBA Basketball World Cup.

At AfroBasket 2013 staged in Abidjan, Cote d'Ivoire (20-31 August 2013), Angola defeated Egypt in the Final of the tournament, while Senegal knocked off the host country in the battle for third place, to claim the three World Cup places on offer.

Mexico, Puerto Rico, Argentina and the Dominican Republic sealed their spots for Spain 2014 by reaching the Semi-Finals of the 2013 FIBA Americas Championship in Caracas, Venezuela (30 August-11 September). For both the Mexicans and the Dominicans, this was a momentous occasion as they had last taken part in FIBA's flagship event way back in 1974 and 1978 respectively. Mexico made sure their visit to Caracas was even more special by capturing their first-ever continental title.

At EuroBasket 2013 (4-22 September 2013), Croatia, France, Lithuania, Serbia, tournament hosts Slovenia and Ukraine all had strong showings to clinch their places for Spain 2014. The French won their first-ever continental crown after beating Lithuania in the Final, while Croatia came in fourth. All three teams claimed their World Cup berths by prevailing in their respective Quarter-Finals, while Slovenia, Ukraine and Serbia punched their tickets after winning in the Classification Round.

This brought to a close the qualifying phase for the 2014 FIBA Basketball World Cup, with 20 of the 24 participants known.

The remaining four places were determined through the attribution of wild cards. At its meeting on 1 February 2014, FIBA's Central Board decided to award the four wild cards to Brazil (#10 in FIBA bwin Ranking Men), Finland (#39), Greece (#5) and Turkey (#7).

This completed the 24-team field for the 2014 FIBA Basketball World Cup.

COPA DEL MUNDO DE BALONCESTO FIBA 2014

La Copa del Mundo de Baloncesto FIBA 2014 que se disputa del 30 de agosto al 14 de septiembre reúne a las 24 mejores selecciones de todo el mundo.

La fase preliminar por grupos se disputará en Bilbao, Gran Canaria, Granada y Sevilla (del 30 de agosto al 4 de septiembre), mientras que la fase final tendrá lugar en el Palau Sant Jordi de Barcelona y el Palacio de los Deportes de Madrid (6-14 de septiembre).

La fase de clasificación para el torneo insignia de la FIBA se inició dos años antes del inicio del campeonato.

CAMINO A ESPAÑA 2014

El camino comenzó en los Juegos Olímpicos de Londres 2012, donde Estados Unidos, campeón del mundo de 2010, ganó la medalla de oro, logrando así una plaza para el torneo.

Un año más tarde, en el verano de 2013, se celebraron cinco campeonatos continentales FIBA - África, Américas, Asia, Europa y Oceanía-, donde un total de 18 selecciones se jugaban su plaza para ser parte del espectáculo de la cita mundialista.

En la Copa FIBA Asia celebrada en Manila (Filipinas, del 1 a 11 de agosto, 2013), Irán sumó su tercera corona continental desde 2007 y se aseguró su presencia en España. Al acabar subcampeona, la anfitriona Filipinas también se clasificó, mientras que Corea selló su pase tras ganar el partido por el tercer puesto a China Taipei.

Australia venció a Nueva Zelanda en la Copa FIBA Oceanía (del 14 al 18 de agosto de 2013) y ambas selecciones reservaron su plaza para la Copa del Mundo de Baloncesto FIBA.

En el Afrobasket 2013 organizado en Abidjan (Costa de Marfil, del 20 al 31 de agosto 2013), Angola derrotó a Egipto en la final del torneo, mientras que Senegal batió a la selección anfitriona en la pelea por el tercer puesto, ocupándose así tres plazas en juego para la Copa del Mundo de Baloncesto FIBA.

Por su parte, México, Puerto Rico, Argentina y República Dominicana garantizaron su clasificación al alcanzar las semifinales del Campeonato FIBA Américas 2013 que se disputó en Caracas (Venezuela, del 30 de agosto al 11 de septiembre). Tanto para mexicanos como para dominicanos se trataba de una oportunidad vital, ya que desde 1974 y 1978 respectivamente no competían en el torneo insignia de la FIBA. México se aseguró de que su estancia en Caracas fuera aún más especial al conseguir su primer título continental.

En el EuroBasket 2013 (del 4 al 22 de septiembre 2013), Croacia, Francia, Lituania, Serbia, la anfitriona Eslovenia y Ucrania garantizaron sus plazas para el campeonato. Los franceses ganaron su primera corona continental después de vencer a Lituania en la final, mientras que Croacia quedó cuarto. Estas tres selecciones sellaron su pase al llegar a cuartos de final, mientras que Eslovenia, Ucrania y Serbia lo hicieron tras sus victorias en los duelos del quinto al octavo puesto. De esta forma se desvelaron 20 de los 24 nombres participantes en la Copa del Mundo de Baloncesto FIBA.

Los cuatro puestos restantes se determinaron a través wild cards. Tras una reunión celebrada el 1 de febrero de 2014, la Junta Central de FIBA decidió otorgar las cuatro wild card a Brasil (10º en el Ranking Mundial bwin FIBA masculino), Finlandia (39º), Grecia (5º) y Turquía (7º).

Esto completó el plantel de los 24 equipos participantes en la Copa del Mundo de Baloncesto FIBA 2014.

FIBA BASKETBALL WORLD CUP HISTORY

The FIBA Basketball World Cup, known from 1950 until 2010 as the FIBA World Championship, is the flagship event of the International Basketball Federation (FIBA).

The first-ever FIBA Basketball World Cup takes place in the Spanish cities of Barcelona, Bilbao, Granada, Gran Canaria, Madrid and Sevilla.

The inaugural FIBA World Championship was staged in Argentina in 1950 with the host nation prevailing in the Final against the USA.

Since the first staging of the tournament in Buenos Aires where six teams did battle, the field has grown exponentially to feature the 24 best teams from around the world.

The former Yugoslavia won the world title in five of the 16 editions, while the USA account for four and the Soviet Union for three.

Since 1998, the winners of the FIBA Basketball World Cup get to celebrate their crowning moment by holding aloft the Naismith Trophy, named after the inventor of basketball, Dr James Naismith.

The new name reflects the prestige that FIBA's tournament has as a premier international competition and allows for it to be recognised as what it truly is: one of the biggest global sporting events, along with the FIFA World Cup, the Rugby World Cup and the Cricket World Cup.

The term 'World Cup' is known by people all around the world and resonates in different languages: Copa del Mundo, Coppa del Mondo, Coupe du Monde.

The FIBA Basketball World Cup has been the centre stage for some of international basketball's biggest stars – from Oscar Schmidt and Nikos Galis to Pau Gasol and Kevin Durant and many in between.

HISTORIA DE LA COPA DEL MUNDO BALONCESTO FIBA

La Copa del Mundo de Baloncesto FIBA, conocida de 1950 hasta 2010 como el Campeonato del Mundo FIBA, es el evento más importante organizado por la Federación Internacional de Baloncesto (FIBA). Por primera vez la Copa del Mundo tiene lugar en las ciudades españolas Barcelona, Bilbao, Granada, Gran Canaria, Madrid y Sevilla.

El primer Campeonato del Mundo FIBA se celebró en Argentina en 1950 y acabó con los anfitriones batiendo en la final a Estados Unidos. Desde aquel primer torneo disputado en Buenos Aires hasta hoy esta competición ha crecido exponencialmente, pasando de 6 equipos a los 24 actuales que representan a las mejores selecciones de todo el mundo.

La ex Yugoslavia se ha hecho con el título mundial en cinco de las 16 ediciones, mientras que Estados Unidos acumula 4 en su cuenta y la Unión Soviética en 3.

Desde 1998, los ganadores de la Copa del Mundo Baloncesto FIBA celebran el triunfo levantando el trofeo Naismith, llamado así en honor al inventor del baloncesto, Dr. James Naismith.

El nuevo nombre refleja el prestigio que tiene el torneo FIBA como competición internacional de primer nivel y permite que sea reconocida como lo que realmente es: uno de los mayores eventos deportivos mundiales, junto con la Copa del Mundo FIFA, la Copa del Mundo de Rugby y la Copa del Mundo de Cricket.

El término 'Copa del Mundo' es conocido en todas partes y se escucha en diferentes idiomas: Copa del Mundo, Coppa del Mondo, Coupe du Monde.

La Copa del Mundo de Baloncesto FIBA ha sido el escenario del lucimiento de algunas de las mayores estrellas del baloncesto internacional: desde Oscar Schmidt y Nikos Galis hasta Pau Gasol y Kevin Durant, entre muchos otros.
